

# Gymboree Play & Music Docklands

[Back to results](#)

We are a Play & Learn centre for children 0 - 5 years with active parent participation. We offer age appropriate classes in Sensory Baby Play, Play & Learn, Music, Arts as well as hosting Birthday Parties.

Our fun Play classes focus on gross motor skill development and take place on specially designed equipment with plenty of music-based activities.

Music classes explore rhythm, melody and beat through singing, dancing and instrument exploration with themes such as Latin, Rock & Roll, African or Disco.

Art Classes help children to discover their creativity through hands on activities such as painting, sculpture, collage and tactile play. Great for fine motor skill development.
