

# Green Candle Dance Company

[← Back to results](#)

One of the UK 's most thoughtful dance companies creating productions & education programs for specific communities, Green Candle has over 20 years' experience of taking intelligent dance directly to those with least access to it in educational, community and arts settings. Established by Artistic Director Fergus Early, a choreographer and dance pioneer, Green Candle Dance Company sets out to explore some of the interesting human issues we face as individuals, as communities and as a society, through dance and the related arts.
