Disability and Health Employment Specialists. The Tower Project's award winning Job Enterprise and Training Service is East London's leading provider of specialist supported employment services for disabled people and people with long term health conditions. Operating from a modern, accessible Employment and Training hub in Bow, JET aims to increase the number of disabled people and people with long term health conditions that are in sustainable employment by providing a straight forward programme of support solutions, which will equip clients with the required tools to overcome any barriers stopping rapid progression into employment. At the JET Service, rapid progression towards employment is supported through the provision of Employment Support, Training, Social Enterprise and Employer Engagement.
